District: 8 – San Bernardino/Riverside
Contact: Terri Kasinga
Phone: (909) 383-6799
(951) 232-4268

FOR IMMEDIATE RELEASE

FINAL WORK ON STATE ROUTE 18 FUEL SPILL

Big Bear – State Route 18 will close for two days for final work to restore the route after a large fuel spill, which took place in February 2006. The route will fully close from Big Bear Dam to Skyline Drive near Boulder Bay on Wednesday and Thursday, June 14 & 15, 2006 from 8:00 a.m. to 4:00 p.m. The work will include slope protection for culverts, paving, and k-rail removal.

If the final repairs cannot be completed in two days, reversible traffic control will be utilized to finish the work in the following week of June 19, 2006.

Motorists are advised to use SR-38 at Big Bear Dam for a detour to Big Bear.

For more information on state highway work, please call our office at our new toll-free number (866) 383-4631. You may also check our website at www.dot.ca.gov/dist8.
